

NEWS RELEASE

For Immediate Release

07/02/18

Larry Bethel

Ancra President

800-233-5138

Erlanger, KY

As North America's leader in the design and manufacturing of cargo handling and restraint systems for a variety of industries, Ancra International is proud to announce a company name change to Ancra Cargo, effective Monday, July 2nd, 2018.

Ancra Cargo's core mission remains the same; to be a world-class leader in the area of cargo handling and restraint systems by providing quality products on time with the greatest value to our customers. We are focused on our customers, meeting and striving to exceed their expectations.

The company will continue to operate in its current structure, and contacts will remain unchanged. Other than these visible changes, there is no difference in ownership or staff. No adjustment whatsoever will be necessary regarding remittance name and address in our customers' systems. Office location, email, phone, and fax numbers will also remain the same:

About Ancra Cargo

Ancra Cargo is a world-class leader in the area of cargo handling and restraint systems. Founded in 1969 with the mission to improve safety and security for the transportation industry, we have grown to be North America's largest designer and manufacturer of load maximizing systems. With over 100 current patents, Ancra Cargo is dedicated to innovating, designing and manufacturing the highest quality products to meet the evolving needs of our customers.

Today, the Cargo Systems Group, headquarter in Erlanger, Kentucky, is a leading designer and manufacturer of cargo securement systems for heavy duty transportation. Our products are hard at work on land, in the air, and on the sea, serving all phases of the transportation industry. In addition, we have manufacturing and distribution locations in Texas, Canada, New Zealand and Australia. We are focused on our customers, meeting and striving to exceed their expectations.
